# OTTAWA LOCATION

## INTRODUCING DRIVE PRODUCTS OTTAWA

We are excited to announce our new Drive Products branch in the nation's capital of Ottawa, Ontario. The Drive Products Ottawa Location will serve customers in Ottawa, Gatineau QC and the surrounding regions. Drive Products Ottawa sits on 25,000 sq. feet at:

**1611 Liverpool Court, Ottawa ON**

This **NEW** location will support our growing Ottawa customer base with the full breadth of products and services available from Drive Products including our manufactured truck bodies, various truck equipment lines such as: PTO & Hydraulics, Bulk Transport, Driveline and Controls, Winches and Western Snow & Ice Equipment. In addition to warehouse space to support our distribution customers, we are excited to offer a new shop location that will allow for continued growth for our truck equipment upfitting division. As a national company with 14 locations across Canada, we are proud to now have a location in our capital city of Ottawa.

We are also excited to announce the addition of Chris Lariviere who will be our Ottawa Branch Manager. Chris brings with him a wealth of experience in both the market, and the area. Chris is joined by Dave Lamont who brings with him years of experience on the parts deck. This new branch will also be supporting with bilingual service.
