

OPERATIONAL UPDATES - DRIVE PRODUCTS HALIFAX

August 12, 2024

Dear Customers,

In August, we recently moved into our new location @ 50 Joseph Zatzman Drive. Please note that this location is currently still under development and is being used for select work truck upfits and truck chassis management. Access and visits to the facility strictly requires an approved appointment in advance.

All front facing staff from our previous location (141A Joseph Zatzman Drive) are now located at our **Drive Products Services facility located at 55 Isnor Drive**. This location will serve as the main hub of our business i.e. parts, service, shipping, customer pick-ups/drop-offs etc

We appreciate your understanding and patience during this transition, we remain committed to providing uninterrupted service and support. Our phone numbers and email addresses will remain the same, so you can continue to reach us without any changes.

Should you have any questions or concerns, please do not hesitate to contact us.

Best regards,
