## STANDARD SERVICE BODIES

- Durable Powder Coat Finish - environmentally friendly & durable
- High Strength Aluminum Substructure
- Double Skinned Reinforced Doors - minimize moisture & dust intrusion
- Fully-Integrated Bumper - added strength, stability & accessibility
- Full length body and door drip channels - minimize moisture & dust intrusion
- Stainless Steel Two-Stage Rotary Latches
- Master locking system
- Stainless Steel 3-Point T-Handle Locks or Slam Latches
- 2,000 lbs. Swivel Tie-Downs with Checkered Plate Floor
- L.E.D. Lighting - compartment rope lighting, stop, tail, turn & clearance

Voth's all aluminum service body is manufactured in rugged, corrosion-resistant 5052-H32 marine grade aluminum. Heavy gauge construction provides additional strength, reducing maintenance and maintaining improved fuel efficiency and payload capacity at 45% lighter than steel.

## MECHANICS BODY

The trusted high strength performance of your standard service body is now a multi-function truck to suit your industry. Rear cabinet crane reinforcement, specialized cabinetry and a durable powder coat finish will support you wherever your work takes you.

### Mechanics Body with Crane:

- Cut out crane bumper for easy outrigger installation
- 60" tall front cabinet
- Gas bottle brackets in curbside front bin
- Rear cabinet crane reinforcement (30,000 lbs for a 5,000 lb service crane)

DP/VOTH PART#	CAB-AXLE	A	B	C	E	D	HEIGHT	BODY WIDTH	STANDARD SHELF & DIVIDERS
PTS84ASBDRW-CM-AL	84	24.56	44.87	28.56	34*	132	42*	95.25"	-

\*PTS84ASBDRW-CM-AL has an additional cabinet between the truck cab & service body. This cabinet is 60" H x 34" W. For more information refer to photos on back cover.

# CUSTOM SERVICE BODIES:

Serving industries in telecommunications, media, utilities, trades and more, build the custom Service Body to suit your needs. Options include:

- Custom cabinetry design
- Custom size cabinetry
- Ladder racks
- Pull-Out Drawers and Trays

## MANUFACTURING

Voth Courtland Manufacturing Facility: 92,000 sq.ft

Morden Manufacturing Facility: 56,000 sq. ft

Windsor Manufacturing Facility: 85,000 sq. ft

Voth Truck Bodies serves Canada and the U.S. with steel, aluminum, and hybrid truck bodies. Supporting a variety of industries, Voth has built a strong relationship with the landscape and tree care industries with their unibody dump body design and a range of chipper body and forestry body designs. A member of Drive Products Manufacturing, Voth Truck Bodies are now manufactured in three facilities across Canada. In addition to Voth's signature line of truck bodies, these facilities also manufacture Kargo King Roll-Off Systems, Big Max Roll-Off Systems and more.
